Drug Addiction or Alcoholic Treatment and Rehabilitation Centers, Continued

EW responsibilities, continued

- Clarify with the following with the treatment facility:
  - Failure to provide a list of residents is a failure to comply and may make the facility's residents ineligible in the future, and
  - A SAR 7 Eligibility Status Report (SAR 7) is required for each resident.

Inappropriate actions by facilities

EWs are not required to complete any financial auditing of the facility's records; only a cursory inspection is completed. Both the State and the County's Alcohol and Drug program administrators audit the financial records. EWs will not ask to see receipts for spending. If inappropriate actions are observed while on-site, the EW will contact the Program Integrity Department (PID) for further follow-up on the facility. Inappropriate actions could include:

- Using EBT funds to pay for treatment facility repairs or paying wages,
- Over/under reporting of residents, or
- No private funds for residents not receiving CalFresh.

Determining facility status

When a customer reports living in an alcohol and/or drug facility, the EW must determine if the residential facility is licensed. To determine if the residential facility is licensed, the EW will:

<table>
<tr><th>Step</th><th>Action</th></tr>
<tr><td>1</td><td>
• Review the current list posted on the California Department of Health Care Services (DHCS) by clicking the following link: DHCS Licensing Resources.
• Click the
– View data table link under View Full Details, and
– Download icon once the list generates.
• Select CSV as the Download Option to transfer the data onto an excel spreadsheet.
• Open the SUD_Recovery_Treatment_Facilities excel spreadsheet once it appears under your Dowloads list.
• Filter the spreadsheet by County_Code (36).
• Locate the facility in question, and:
<table>
<tr><th>If the facility is…</th><th>Then…</th></tr>
<tr><td>Listed,</td><td>Go to Step 2.</td></tr>
<tr><td>Not listed,</td><td>• The customer is not residing in a licensed facility.
• Go to Step 5.</td></tr>
</table>
</td></tr>
<tr><td>2</td><td>
Review the following sections to determine the facility's eligibility:
• Service Type,
• Expiration Date, and:
<table>
<tr><th>If the Service Type is…</th><th>And the expiration date has…</th><th>Then…</th></tr>
<tr><td rowspan="2">• RES-DETOX, or
• RES,</td><td>Not expired,</td><td>• The customer is residing in a licensed facility.
• Go to Step 3.</td></tr>
<tr><td>Expired,</td><td rowspan="2">• The customer is not residing in a licensed facility.
• Go to Step 5.</td></tr>
<tr><td>NON,</td><td>• Expired, or
• Not expired,</td></tr>
</table>
</td></tr>
</table>

Determining facility status (continued)

Step	Action
3	Use the **Hyland Imaging Solution** Virtual Printer to image the page containing the facility status into the case record.
4	• Set a **Review Task** for the month prior to the DHCS License Expiration Date. • Go to Step 6.
5	• Navigate to the CDSS CalFresh Policy Guidance webpage by clicking the following hyperlink: CalFresh Policy Guidance. • Click on the **Food and Nutrition Service (FNS) Authorized Retailers** hyperlink located under the **CalFresh Guidance on Residents of Institutions** section to produce an Excel spreadsheet of all authorized retailers in the state. • Filter the spreadsheet by Store Location County (column G) so only San Bernardino is selected. • Review the institutions in San Bernardino County, and: **If the institution is... / Then the customer lives in a(n)...** Listed, → Eligible institution. Not listed, → Ineligible Institution. • Go to Step 6.
6	Determine the customer's potential eligibility to CalFresh based on the facility's eligibility, and: **If the customer is… / Then…** Residing in an eligible facility, → 1. Continue determining all other eligibility factors for CalFresh. 2. Go to Step 7 Not residing in an eligible facility, → Deny/discontinue the customer, as he/she is not residing in an eligible institution.
7	Journal all actions taken.

Notes:

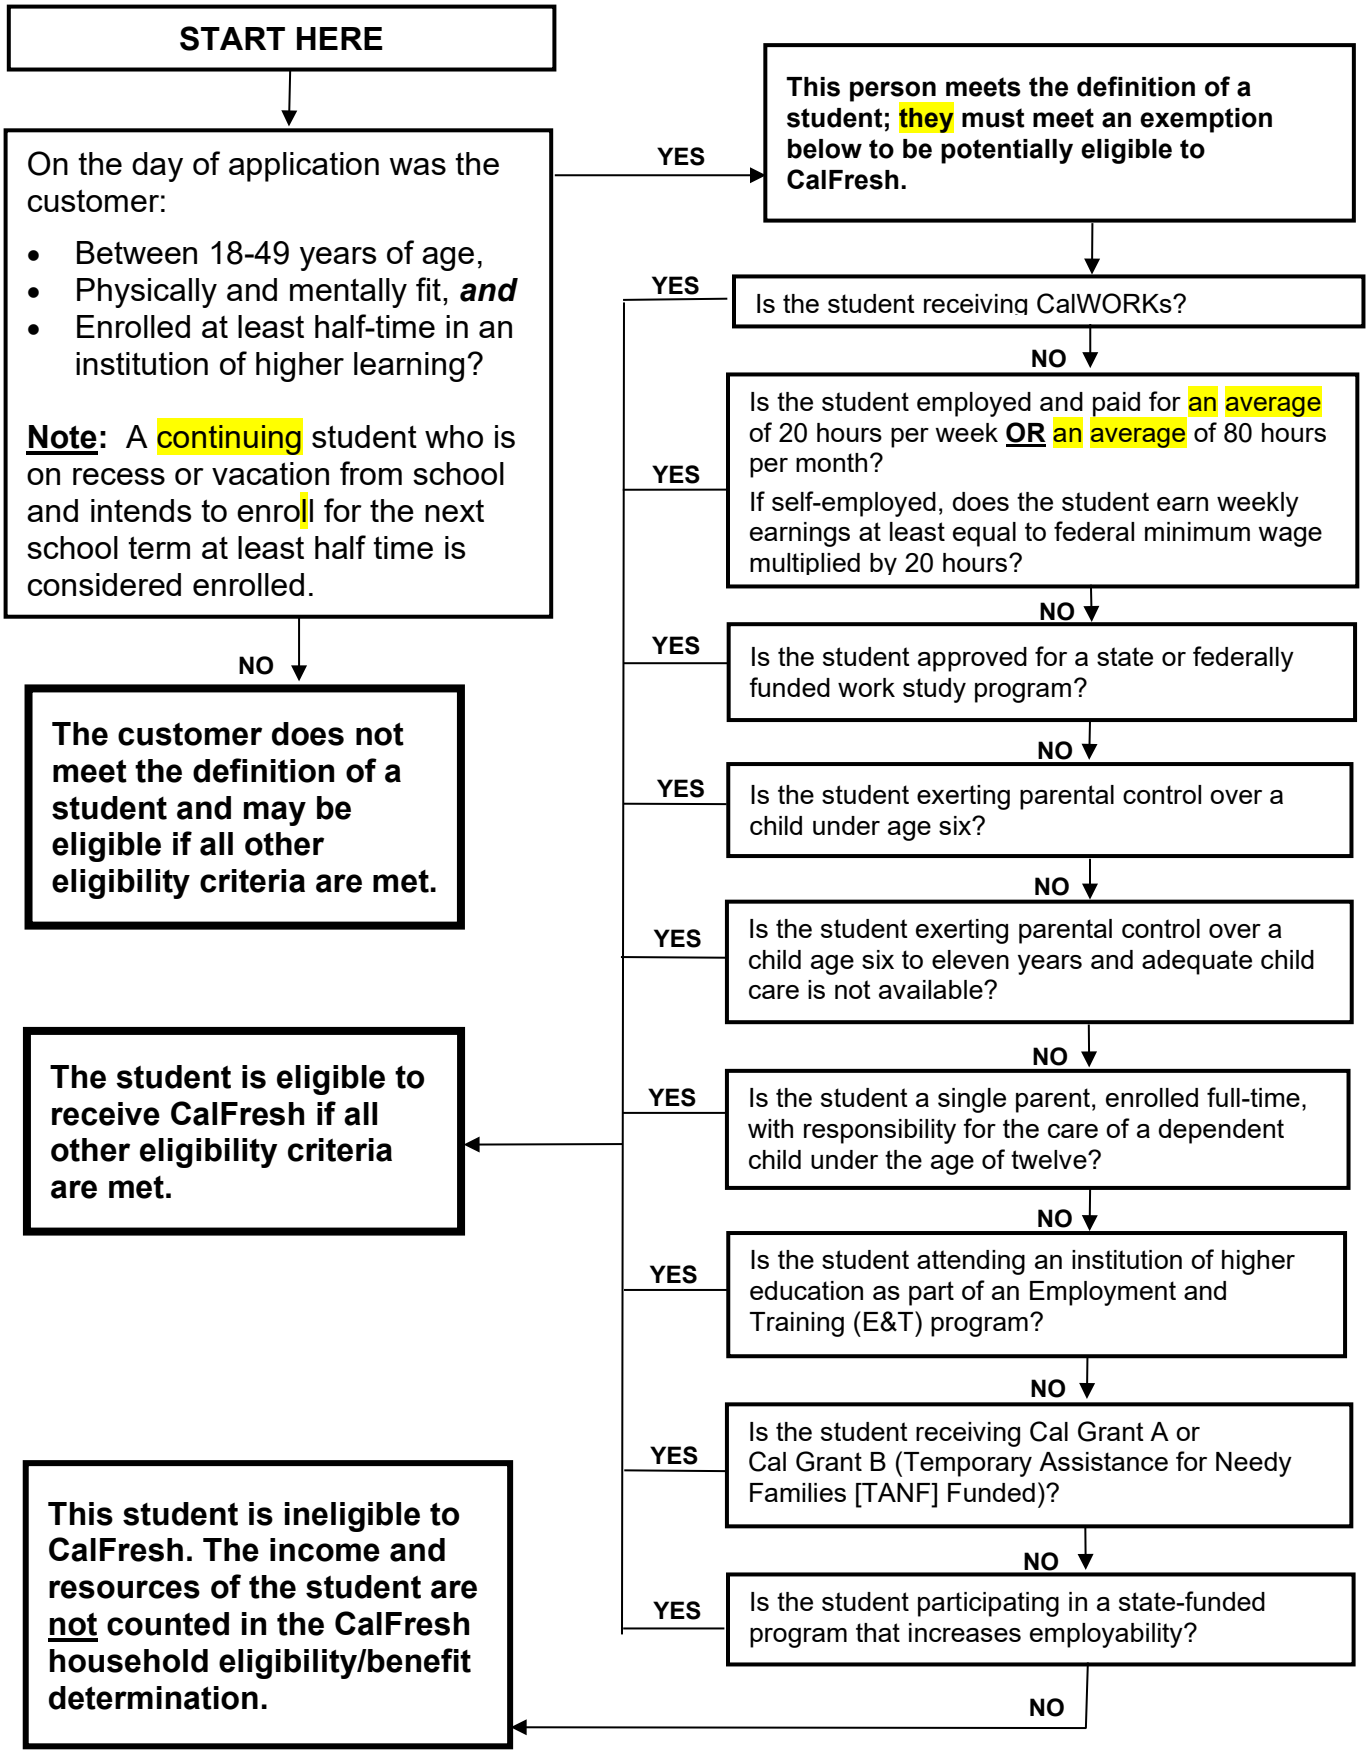

- Customers not residing in a licensed residential facility are considered to be residing in a commercial boarding facility.
- EWs not able to access the DHCS website or have questions regarding the results may contact the Program Development Division (PDD) via email at PDDQuestions@hss.sbcounty.gov.

Sober Living facilities

Sober Living facilities do not require State licensing. Not all Sober Living facilities provide treatment and services. Those that do not provide treatment and services do not require a State license.

Eligibility for customers living in a Sober Living facility is determined based on the CalFresh household's living situation. See the *Household Concept Chart* section in this chapter for further information and instructions regarding household concepts.

Noncitizen Verifications

Introduction

This section provides information regarding verifications for noncitizens.

Noncitizen verifications

The following chart lists various verification statuses and the corresponding steps to establish eligibility. The Eligibility Worker (EW) will request verification of noncitizen status, and:

If verification is…	Then…
Acceptable verification of eligible noncitizen status,	Proceed to determine sponsorship status and funding. Refer to the *Sponsored Noncitizens* section of this chapter for more information.
Questionable (verification is provided, but there is a name discrepancy, the documentation is expired and the noncitizen would be eligible if the verification was current, etc.),	• Do not deny, delay, reduce or terminate the individual's benefits based on immigration status. • The noncitizen is eligible indefinitely (if all other eligibility criteria is met), pending clarifying verification: – Resolve the questionable information through another source, such as Systematic Alien Verification for Entitlements (SAVE) or secondary SAVE results to confirm the noncitizen's status. – Proceed to determine sponsorship status and funding. **Note:** If the EW is unable to clarify the questionable information, or the clarifying information (such as SAVE results) later shows the noncitizen is ineligible, discontinue the customer and count him/her as an ineligible noncitizen.
Unavailable (lost, stolen, etc.),	• Other conclusive verification must be provided along with a written statement indicating the reason why verification is unavailable. • The noncitizen is eligible indefinitely, pending SAVE confirmation of eligible noncitizen status, and if all other eligibility criteria is met. **Note:** If the EW is unable to confirm eligible noncitizen status via SAVE, discontinue the customer and count him/her as an ineligible noncitizen.
Submitted to a federal agency (other than United States Citizenship and Immigration Services [USCIS]) for verification of information bearing on the customer's eligible noncitizen status, such as the: • Social Security Administration (SSA) for qualifying quarters information, or • Veteran's Affairs (VA) office for veteran's status,	The noncitizen is eligible for up to six months, pending verification, if otherwise eligible: • The household, or the EW at the household's request, can request verification/information. Noncitizens – Hmong/Highland Laotian Tribal Members

Introduction

This section provides information on Hmong/Highland Laotian Tribal Members.

Tribal members – Acceptable verification

The following table describes the verifications, documents and/or information to review when determining federal CalFresh eligibility based on Hmong/Highland Laotian tribal member status; **all** of the Review Requirements in the table below must be met to be eligible to CalFresh:

Review Requirements	What to look for
Date of Birth (DOB)	Before 5/8/1975.
Country of Birth (COB)	Coded as: • 203 (Laos) • 201 (Cambodia) • 236 (Thailand) • 245 (China) • 248 (Indonesia) • 260 (Philippines) • 266 (Vietnam)

Affidavit/Sworn Statement	The noncitizen signs an affidavit swearing under penalty of law he/she was a member of a Hmong or Highland Laotian tribe between August 5, 1964 and May 7, 1975.

Review requirements not met

If the noncitizen does NOT meet all of the *Review Requirements* in the table above, the EW must explore if there is sufficient information or any other documentation to establish eligibility as a Hmong/Highland Laotian tribal member, and:

If there is...	Then...
Sufficient information or other documentation to establish tribal membership,	The noncitizen is potentially eligible as a Hmong/Highland Laotian tribal member.
Not enough evidence to establish tribal membership,	No eligibility exists as a tribal member.

Note: An individual who has not been able to verify his/her tribal membership should be referred to organizations which assist in obtaining citizenship verification/documentation. Such organizations include, but are not limited to:

- Asian-American Resource Center, and/or
- San Bernardino Catholic Charities.

Determining Sponsorship status

To determine if the noncitizen is sponsored, explore information from the interview, verifications and the Application for CalFresh, Cash Aid, and/or Medi-Cal/Health Care Programs (SAWS 2 Plus) about his/her immigration status and circumstances. The following table lists the steps to evaluate sponsorship for a noncitizen:

<table>
<tr><th>Step</th><th>Action</th></tr>
<tr><td>1</td><td>Determine if the customer is sponsored by reviewing the following:
The customer's statement: Did the customer state he/she is not sponsored, and there is no questionable information?
The customer's USCIS status: Is the customer a noncitizen who is not required to be sponsored (such as a refugee or asylee)?
Termination of sponsorship obligation: Did the customer enter the U.S. before 12/19/1997 or does the customer meet one of the reasons in the Termination of sponsorship block in this chapter section?
Determine the responses to the questions above, and:<table><tr><th>If the response is...</th><th>Then...</th></tr><tr><td>Yes to any of the above questions,</td><td>Sponsorship rules do not apply.
Stop here.</td></tr><tr><td>No to all of the above questions,</td><td>Go to Step 2</td></tr></table><u>Note</u>: The USCIS document provided must be reviewed to assist in making the above determinations.</td></tr>
<tr><td>2</td><td>Screen the noncitizen for indigency, and:<table><tr><th>If...</th><th>Then...</th></tr><tr><td>Indigent,</td><td>Sponsorship rules do not apply.
Stop here.</td></tr><tr><td>Not indigent,</td><td>Go to Step 3.</td></tr></table></td></tr>
<tr><td>3</td><td>Determine if the sponsored noncitizen meets an exemption from sponsorship (see the Exemptions from sponsorship rules block in this chapter section for more information), and:<table><tr><th>If the sponsored noncitizen...</th><th>Then...</th></tr><tr><td>Meets an exemption,</td><td>Sponsorship rules do not apply.
Stop here.</td></tr><tr><td>Does not meet an exemption,</td><td>Apply sponsorship rules.
See the Deeming Income and Resources block of this section to determine how much of the sponsor's own income/resources must be counted for the sponsored noncitizen.</td></tr></table></td></tr>
</table>

<u>Note</u>: Refer to California Statewide Automated Welfare System (CalSAWS) Online Help > *Job Aids* > *Citizenship and Sponsorship - Add or Edit* for instructions on how to enter sponsorship information into CalSAWS.

Noncitizens who may be sponsored

Legal Permanent Residents (LPRs) may or may not be sponsored. USCIS documents do not show if the noncitizen is sponsored, and a sponsored noncitizen may not have a copy of their Affidavit of Support (I-864).The following table will assist the EW in determining if the noncitizen is sponsored and what actions to take:

If the noncitizen…	Then…
States he/she is not sponsored,	Assume the noncitizen is not sponsored, unless questionable.
Gives questionable information (unclear or inconsistent with information from the current or previous application or from another source),	• Clarify the situation using existing information and narrate in the case **Journal**. **Examples:** The noncitizen states he/she is not sponsored, and: – He/she had reported being sponsored on a previous case. Determine if the: ✓ USCIS documents show he/she entered the U.S. before 12/19/97, indicating that sponsorship would have terminated by now. ✓ Customer has 40 qualifying work quarters showing the sponsor's obligation has terminated. ✓ Customer's sponsor receives CalFresh benefits, exempting the noncitizens from sponsorship rules. – Her/his LPR card has a sponsorship section code. • If unable to clarify with existing information, initiate the G-845 process, requesting a copy of the I-864, if available. **Note:** Refer to *ORHB* > *Chapter M - Income Eligibility Verification System* for instructions regarding the Online G-845 Process.
Does not know if he/she is sponsored,	Assume the noncitizen is sponsored and initiate the G-845 process, requesting a copy of the I-864, if available.
States he/she is sponsored and: • The sponsor cooperates,	Apply sponsorship rules.
• Fails to get the sponsor's cooperation, or • The sponsor refuses to cooperate,	Deny benefits for the sponsored noncitizen. Remaining household members may still be eligible to CalFresh benefits. The ineligible sponsored noncitizen is considered an ineligible noncitizens (excluded) when determining the household's eligibility/benefit level.

Notes:

- See the *Termination of sponsorship* and *Exemptions from sponsorship rules* sections in this chapter for more information about sponsorship termination and exemptions.
- Refer to *CalSAWS Online Help* > *Job Aids* > *Citizenship and Sponsorship - Add or Edit* for information about entering sponsorship information into CalSAWS.

Additional Information

Gross pay was calculated by first determining the total amount of flex pay for this pay period: $175 ($87.50 + $87.50). The amount of health and dental deduction were then subtracted from the flex benefit total: $175.00 - $280.09. Since the amount of the deduction exceeds the benefit amount, the excess is zero. The gross is then the total amount of earnings for this pay period: $408.40+ $408.40=$816.80**.** A conversion factor of 2.167 is used when calculating a monthly income amount in the budget.

This pay stub reflects a direct deposit payroll arrangement into a checking account. The case record should contain current verification of this account.
